DCI SECURITY COMMITTEE
MONTHLY ACTIVITIES REPORT
JULY 1980

1. A Committee staff member, in his security consultant role, attended the two-day work session of COMIREX members and consultants which addressed in a seminar setting the adequacy of COMIREX organization to ensure Community participation at all levels, and issues involved in decompartmentation of 20 year old imagery. (C)

2. The Committee chairman met with the chairmen of a number of SECOM subcommittees and working groups to discuss their tasking, accomplishments, work in progress, and support needs. (U)

3. The Committee staff submitted material on security issues for consideration in the update of the National Multi-disciplinary Counterintelligence Assessment. Items included technical countermeasures capabilities, emergency destruction matters, security awareness programs, industrial security procedures, handling of unauthorized disclosures, and physical security. (C) ?

4. The "security lessons learned" section of the annual security audit report to the U.S. Foreign Intelligence Surveillance Court by the Committee staffer who serves as its security officer was deemed of such broad interest that it was sent by the Administrative Office of the U.S. Courts to every U.S. District and Appeals Court Chief Judge in the country. (U)

5. A task force of the Security Awareness Working Group met weekly during July as it continued to develop ideas for presentations to government employees and industrial contractors on the hostile threat, the technical penetration threat, and TEMPEST matters. (U)
